

Virtual Event

If you prefer to watch the program online or can't make it to the in-person event, you can join us virtually!

You can register and watch the virtual event on this site:

<https://ve.ahgive.com/ve/VG3QQ7M3/signup>.

Make sure to save the email address and password you used to register, as you will need this to log in and watch the virtual event.

You can begin viewing the program on Thursday, April 20, at 7:00 p.m. You can watch the entire program, make donations, chat with guests, and more.

The event live stream will be on the page's top half next to the chat dialogue box. To watch, click "play" at 7:00 p.m. to start watching. We recommend logging in on Thursday, April 20, at 6:45 p.m. so you can be ready and settled in for the program's start! A pre-event video will be playing, so you may need to press the play button again at 7:00 p.m.

No other online attendees will be able to see you, as this is a one-way viewing experience. We encourage you to interact with Lifeworks staff and the other attendees through the event chat. The live stream will include closed captioning from YouTube Live, which may only partially be accurate. The University of Minnesota Duluth's Media Hub estimates that the automatic captions are typically 60-70% accurate.

For the best user experience, we recommend using the Chrome internet browser when watching the live stream. The Firefox internet browser also works just fine.

We also recommend testing your login before the event to ensure you'll be able to watch from the start. If you forget your password, click the link to reset your password on the login page.
